## WORK EXPERIENCE

---

**UX / UI Designer** Jul - Nov, 2024  
Keykycode / Seoul, Korea

- Led UX/UI design for a SaaS web application, with a focus on optimizing functionality.
- Designed the user interface for the health app Wellroutine, improving usability for new users.
- Collaborated with developers to ensure design feasibility and smooth implementation.

**Web Design Intern** May - Aug, 2023  
PNY Technologies / Parsippany, NJ

- Created user interfaces for pny.com and pnypartners.com
- Collaborated with the web design team to produce visual prototypes and design user interfaces for targeted pages
- Maintained effective communication with the creative marketing team, implementing HTML edits and uploading metadata to ensure website updates

**UI Designer** Mar - Apr, 2022  
Sir.Loin / Seoul, Korea

- Contributed to the UX team by designing the graphical user interface for an in-house app dedicated to selling Korean gourmet beef products
- Collaborated with the Branding team to create the magazine section
- Ensured seamless communication with the development team to assess and ensure design feasibility

**GUI Intern** Jun - Aug, 2019  
pxd / Seoul, Korea

- Worked with the GUI team on UI/UX design projects for various clients
- Contributed to app design research to support the team's efforts
- Participated in the design of GUI elements, including specific pages and icons for various applications
